Res-Q Microchips

Heart Mountain Animal Health believes that one of the best methods to protect your pet in the event that she is lost is to implant a microchip.

We use Res-Q microchips from Bayer Healthcare PetLink.

There is a one time fee of \$44 to implant the microchip.

There is absolutely NO cost to register your chip with Bayer.

PetLink offers no- cost 24-hour support.

PetLink offers around-the-clock customer support at 1-877-PETLINK (1-877-738-5465).

To register your pet with PetLink

1. Log on to PetLink.net
2. Register your pet by creating an account.
3. Enter your pet's information (including a picture if you wish).
4. Enter your pet's unique resQ microchip ID number.

If you move, be sure to update your information on the same website, or by calling PetLink.
